FIRST AID

If on skin: Take off contaminated clothing. Wash with plenty of soap and water.

If in eyes: Rinse cautiously with water for several minutes.

If ingested: Do not induce vomiting. Call a poison center or doctor if you feel unwell.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION. Contact with eyes may cause irritation. Wash hands thoroughly after handling.

Personal Protective Equipment: Wear protective gloves and clothes. Safety glasses recommended.

Treatment for Pet Ingestion: If animal consumes bait and adverse effects are observed, call a veterinarian.

DIRECTIONS FOR USE

READ THIS LABEL: Follow all use directions and use precautions. Use only for sites, pests, and application methods described on this label.

USE RESTRICTIONS: **1.** Bait must not be deployed in areas where contamination of food, water, or surfaces that come in direct contact with food is possible. **2.** Do not dilute or add anything to the product. **3.** Store and deploy bait out of reach of children, pets, domestic animals, and non-target wildlife or in tamper-resistant bait stations. **4.** Dispose of product container, unused, and unconsumed bait as specified on this label.

SELECTION OF TREATMENT AREAS: This product is for use in commercial, residential, and agricultural sites. Determine areas where rats are most likely to find and consume bait. These areas can include concealed areas along walls, near burrows, near structural openings in the floor, wall, ceiling, or in hard to reach areas (e.g., in rafters, beams or attics) or where other signs of rat activity have been observed. Reassess activity for changes in placement (e.g., due to seasonal changes or construction). Multiple bait stations may be placed in foraging areas or high activity locations as needed.

APPLICATION DIRECTIONS: **1.** Place 2 to 12 pieces per placement. **2.** Adjust the amount of bait applied at each placement based upon rat activity levels. **3.** Maintain an uninterrupted supply of bait. Check and replace bait as necessary.

STORAGE AND DISPOSAL

Storage: Store away from water. Store only in original, tightly secured containers in a room temperature environment, inaccessible to unauthorized users, children, pets, livestock, and other non-target animals. **Disposal:** Place product packaging, unused bait, or unconsumed bait in trash.

DISCLAIMER

To the extent consistent with applicable law, seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

This product has not been registered by the U.S. Environmental Protection Agency. SenesTech, Inc. represents that this product qualifies for exemption from registration as a minimum risk pesticide under FIFRA Section 25(b).
